**DETAILED ACTION**

***Allowable Subject Matter***

1. Claims 7-12 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art does not disclose or suggest a pressure transducer having a piezoelectric element configured to be controlled such that the volume of the measuring chamber can be changed according to a desired predetermined timely volume progression as positively recited in combination with the remaining limitation of the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
